Verse1

fm cm cis gis
People would say I'm lost in the woods They wouldn't see the route
I took
fm cm cis gis
But I got a compass in my chest Heart and mind are still
abreast

Bridge(?)

aism fm cis
I've come from a much darker place than this I sense it in the brumous air,
fm

here is hope for an eternal kiss

Chorus (?)

fm cis gis fm
So I keep on walking and I keep on talking Am I talking to myself?
Fm cis gis cm
So I keep on walking and I keep on talking Am I walking in a circle, help!

Verse 2

fm cm cis gis
I had to face so many fears I became desperate
fm cm cis gis
Once in a blue moon I shed a tear I will search until I'm dead

Outro

fm aism gis cm
so when will I come to you I ask myself, I ask the moon
aism aism fm aism c fm
Because forever is longer without you Because forever is nothing without you
